4.0 BUDGET SUMMARY

The Chirundu Town Council Budget stands at K112.4 million, an increase of 8 percent when compared to the 2025 budget allocation that stood at K103.9 million.

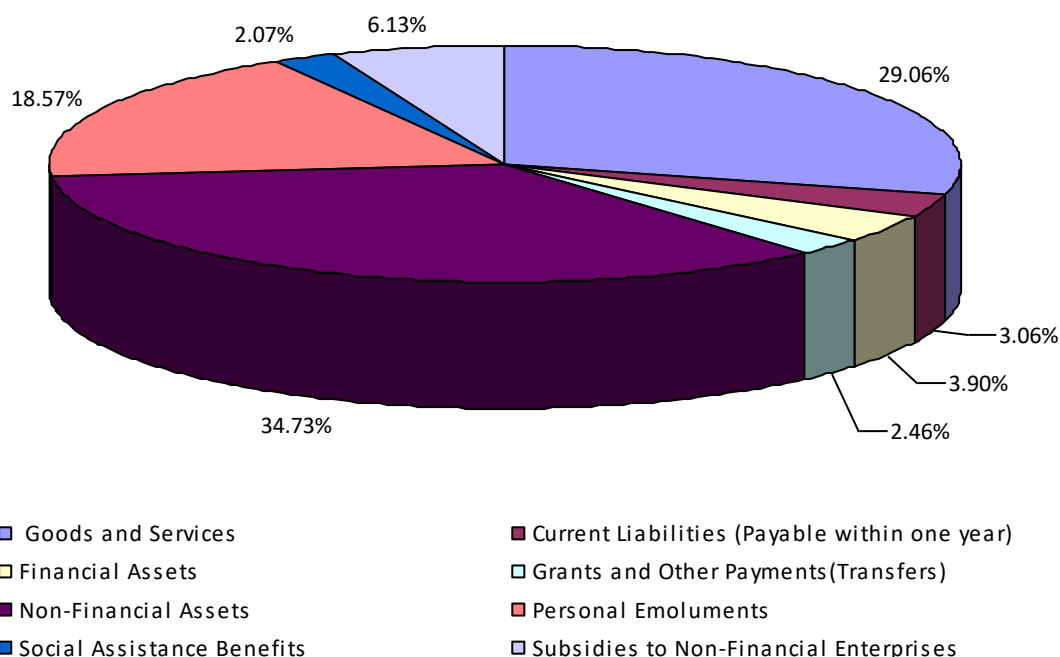

The increase is mainly attributed to a 11 percent increment in the 2026 Constituency Development Fund (CDF) allocation of K40 million, with a K11.5 million provision for Capital Grant funded by World Bank, including a 14 percent increase in the projected locally mobilised revenue of K39.4 million.

The Local Authority will also receive a K6.3 million Grant from vehicle licencing and a K2.9 million provision for Cash For Work (CFW). The budget has been allocated to sixteen (16) programmes planned for implementation.

Fisheries and Livestock marketing improvement will see the following key output indicators, 2500 farmers being trained in entrepreneurship, 2000 traders issued with control of goods permits which we believe will increase in our service delivery. Furthermore 12 nutrition trainings will be conducted to our famers to improve their nutrition status. To help in price controls, the department will conduct 12 price surveillance which are monthly checks, to help in price control of livestock and livestock products.

To improve in Animal health services, the department will conduct 144 extension visits to 2500 farmers in the 12 wards in Chirundu district within the year 2026. This depicts that each ward shall receive at least an extension visit monthly. The department has increased the number of dogs to be vaccinated from 4000 in 2025 to 12,000 in 2026 this is as a result of the increased number of dogs affected with rabies. Furthermore, the department targets to conduct 240 surveillances which will cover the following diseases; Foot and Mouth Diseases (FMD), Anthrax, African Swine Fever (ASF), East Coast Fever (ECF). other diseases marked for surveillance are, rabies, Peste des petits ruminants (PPR) and Newcastle disease (ND).

In Capture fisheries production and productivity improvement, 500 Fishers will be trained in sustainable fishing and processing, which will also see creating of 500 co-management area structures, so as to improve service delivery. Furthermore, the department targets to license 500 Fishers for the year 2026. In aquaculture extension and advisory services provided, 500 framers will be trained in aquaculture practices and will see 3 dams restocked with fingerlings.

In Livestock Production and Productivity Improvement, the department targets 10,000 farmers to receive extension service in various categories. In pasture and rangeland management improvement, the department targets 150,000Ha of land to be brought under range land in the year 2026. Furthermore, the department targets the mapping of 3 rangelands. To improve the pasture in rangeland, 80 farmers will be supported with pasture seed. The department targets 1000 farmers trained in pasture utilization, the department with additionally target to at least 3 exchange visits planned, to enable farmers learn from farmers in other districts
