4.0 BUDGET SUMMARY

The Chirundu Town Council Budget stands at K103.9 million, an increase of 23 percent when compared to the 2024 budget allocation that stood at K79.7 million.

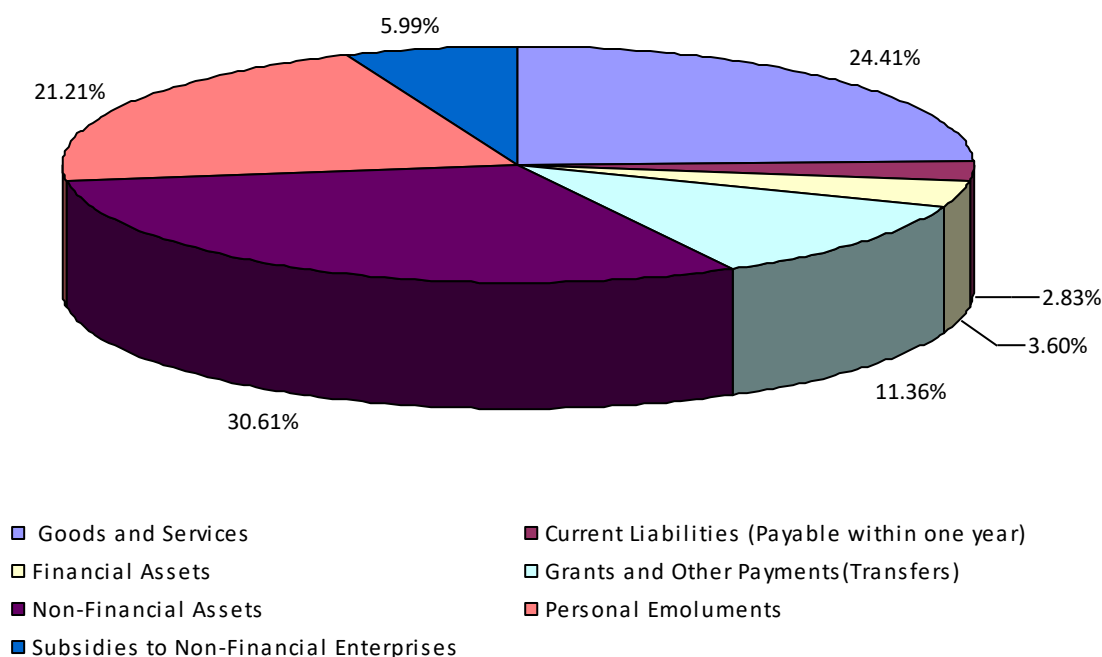

The increase is mainly attributed to a 17.7 percent increment in the 2025 Constituency Development Fund (CDF) allocation of K36 million, with a K10.2 million provision for Cash For Work (CFW), including a 10 percent increase in the projected locally mobilised revenue of K34.7 million.

The Local Authority will also receive a K3.2 million Grant from vehicle licencing, including K8.3 million Capital Grant funded by World Bank and K8.4 million as Local Government Equilisation Fund. The budget has been allocated to sixteen (16) programmes planned for implementation.

Constituency Development programme has an allocation of K36 million of which K21.9 million has been allocated to Community Projects sub-programme to focus on improving common areas or addressing common problems, resulting in a cleaner, safer, and more attractive environment for communities while the remaining allocation will be shared among Women and Youth Empowerment and Secondary School and Skills Development Bursaries sub-programmes with an allocation of K6.2 million each as an avenue for empowering students to pursue education and develop their skills and doors of opportunity for talented students who may otherwise face significant financial hurdles in pursuing their education. In addition, K1.6 million is for Administrative Costs of the Constituency Development Fund (CDF) as they play a critical role in streamlining processes, monitoring and evaluation of projects maintaining compliance with regulations, ensuring accounting accuracy and transparency.

In an effort to enhance citizen participation, Local Governance programme has a total allocation of K3.5 million towards Legislative Function, this is to support the formation of By-Laws and maintaining the democratic fabric of societies, as they provide an avenue for citizens to voice their concerns and actively participate in decision-making processes, that directly impact communities in the district.

Integrated Development Planning programme has been allocated K5.3 million of which Environmental Planning has an allocation of K1.1 million in order to mitigate the recently recorded devastating drought and foster sustainable development by carefully considering the environment, during the planning process. Socio Economic planning has been allocated K2.7 million to deal with cross cutting issues and administrative operations. Spatial Planning subprogramme has an allocation of K1.4 million for implementation of spatial planning within the jurisdiction of the Local Authority to allow for the optimal utilisation of limited the land resources.

The Economic and Business Development programme has a total allocation of K1 million to be utilised under Local Economic Development subprogramme. This programme will focus on creating a favourable business and investment environment in all the Wards of the Chirundu District to attract new business opportunities and investments.

Public Health and Environmental Protection programme has a total allocation of K4.3 million of which Health Inspections subprogramme has K781,768 to ensure rigorous oversight and compliance with health standards, while Pest Control has been allocated K139,020 for elimination of pests that might be hazardous to the communities. In addition, Solid Waste Management subprogramme has been allocated K2.4 million for effective refuse management, which also includes the Keep Chirundu Clean, Green and Healthy activates. Water Supply and Sanitation Services subprogramme has an allocation of K703,181 in order to improve reliable water supply systems and ensure the availability of safe drinking water thereby

HEA 9811 CHIRUNDU TOWN COUNCIL**D**

reducing the prevalence of waterborne diseases such as diarrhoea, cholera, and typhoid.

Housing and Community Amenities programme has the total allocation of K10.2 million where Markets and Bus Stations subprogramme has been allocated K1 million in order to provide a more efficient market and transportation systems. Public Housing subprogramme has K78,140 to improve housing amenities in the district. Roads and Drainage subprogramme has an allocation of K9.1 million to enhance accessibility and connectivity thereby facilitating smoother transportation of goods and services to increase trade opportunities which will consequently stimulate economic growth by attracting investments and job creation in the district.

The Local Authority has allocated K736,244 to support Recreation, Culture and Religion programme of which K24,124 has been allocated to Cultural Affairs subprogramme while Sports Promotion subprogramme has been allocated K712,120 to identify and sharpen skills in different sports disciplines within the district.

Under Education and Skills Development programme, K19,241 has been allocated towards the District Archives subprogramme in order to facilitate the availability of valuable and reliable source of historical information that can be vital for research purposes. By preserving important documents, records, and artifacts, district archives ensure that the district's history is not lost or forgotten over time. Moreover, having easy access to such resources promotes transparency and accountability within the district by enabling individuals to trace back past decisions, policies, and actions.

Public Order and Safety programme has a total of K5.2 million of which Community Policing subprogramme has been allocated K1.2 million to enhance the mutual cooperation between the police and the public among the community members. In addition, Fire Protection Services subprogramme has an allocation of K4 million aimed at ensuring the safety and well-being of the members of the community through regular inspections and maintenance of fire alarms, extinguishers, sprinkler systems, emergency lighting and timely response time to emergency incidents.

Management and Support Services Programme has a total allocation of K13.8 million and Institutional Management has an allocation of K861,951 to support the overall management and administration of the Council and ensure all operations are in place, while Human Resource and Administration has an allocation of K7.9 million to go to promote employee development and engagement through training programmes, performance evaluations, and career advancement opportunities, which not only increases job satisfaction but also enhances employee loyalty and commitment to the Council.

Further, Accounting subprogramme with K3 million to ensure financial stability by managing and maintaining accurate records of all transactions, balances, and expenses. Procurement K955,866 mainly for procurement of goods and services. Additionally, Auditing subprogramme has a total of K785,998 to ensure a well-functioning audit system in order to enhance internal control systems, which helps in the prevention and detection of fraud, errors, and inefficiencies within the district and Legal Services K200,000 for arbitration of court cases.

Resource mobilization has been allocated K6.8 million, all of which will be utilised under the Revenue Mobilisation and Enhancement subprogramme and aimed at maximizing local revenue collection and establishing innovative sources of local revenue streams and collections methodologies.

District Health Services has been allocated K1.4 million of which emphasis has been places on the prioritization of essential healthcare at the grassroots level of the community, to ensure strategic and systematic approach of coordinating various healthcare provisions, within the district.

Transport Services programme has been allocated K3.2 million all of which is aimed at ensuring improved accessibility to various goods and services through refurbishment of road infrastructure district.

HEA 9811 CHIRUNDU TOWN COUNCIL**D**

Agricultural Services programme has been allocated a total of K481,034 of which Agricultural Crop production, Advisory and Technical has been allocated K281,034, with Agribusiness Development and Marketing allocated K65,000 and Agriculture Co-ordination with an allocation of K135,000.

Fisheries and Livestock has been allocated K486,160 in order to support Fisheries and Livestock Marketing, Animal Health Services, Fisheries Production and Productivity Improvement, Livestock Production and Productivity Improvement, District Fisheries and Livestock Coordination.

The Social Protection programme has a total allocation of K10.9 million all of which K10.2 million will be allocated towards Social Welfare under the CFW programme, with K659,987 towards Community Development in order to support the indigent people to alleviate the burden of poverty and improve individuals' overall well-being in the district.
