Cluster Outcome 01 Enhanced Mitigation and adaptation to Climate Change

Strategy : 01 Strengthen climate change adaptation

Strategy : 02 Strengthen climate change mitigation

Cluster Outcome 02 Sustainable Environment and Natural Resources Management

Strategy : 01 Promote Integrated Environmental Management

Strategy : 02 Enhance natural resources management

Cluster : 04 Good Governance Environment

Cluster Outcome 01 Improved Policy and Governance Environment

Strategy : 01 Decentralise Public Service Delivery Systems

Strategy : 02 Strengthen national data and information systems

Strategy : 03 Strengthen transparency and accountability mechanisms

Cluster Outcome 02 Improved Rule of Law, Human Rights and Constitutionalism

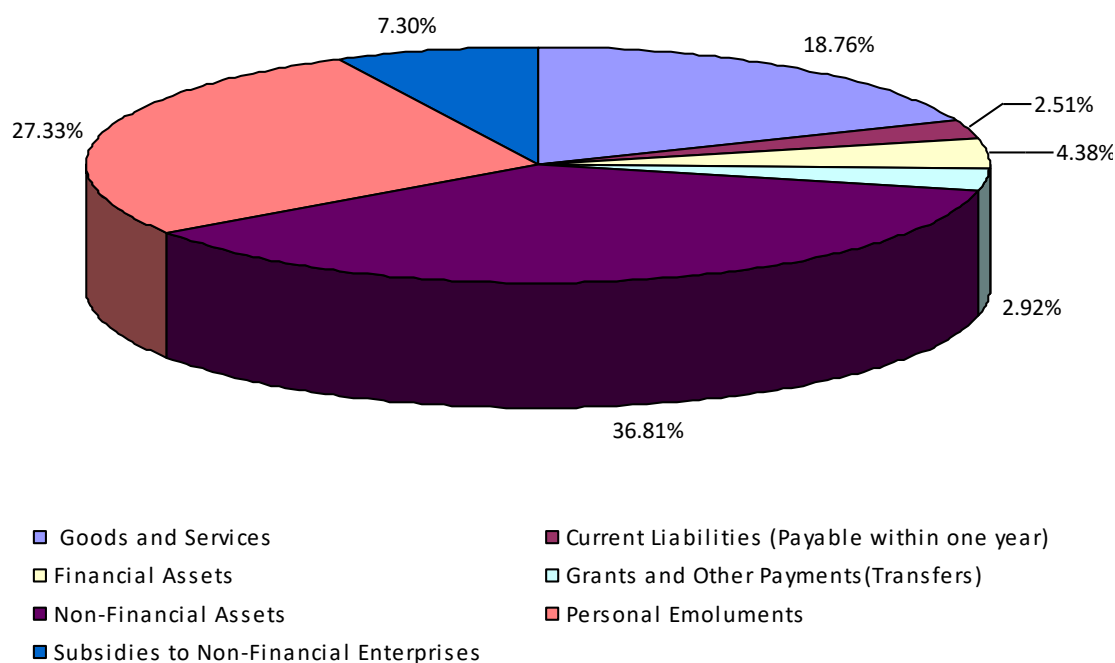

Strategy : 01 Strengthen human rights and constitutionalism

HEA 981 CHIRUNDU TOWN COUNCIL**D****4.0 BUDGET SUMMARY**

The Chirundu Town Council Budget stands at K79.7 million only which is an increase of 50 percent when compared to the 2023 budget allocation that stood at K53 million. The increase is mainly attributed to an 8 percent increment in the Constituency Development Fund, over 100 percent increase in the Projected Locally Mobilized Revenue, K3.7 million Grant from Vehicle Licencing and the K3.7 million Capital Grant funded by World Bank. The budget has been allocated to fourteen (15) programmes planned for implementation.

Table:1 Budget Allocation by Economic Classification

Constituency Development programme has an allocation of K30.6 million of which K17.5 million has been allocated to Community Projects sub-programme while the remaining allocation will be shared among Women and Youth Empowerment and Secondary School and Skills Development Bursaries sub-programmes with an allocation of K5.8 million each.

Local Governance has an allocation of K1.3 million of which Local Elections has an allocation of K441,628, with Legislative Function comprising of an allocation of K936,00 which accommodates the revised Councillors allowances. These sub-programmes will ensure full council and committee meetings are held accordingly and citizens participate effectively in decision making through the various ward development committees.

Integrated Development Plan program has an allocation of K3 million, which will focus on enhancing the coordination in the Spatial, Socio Economic and Environmental development of the District. This allocation will be spent under three sub programmes namely, Environmental Planning allocated K100,000, Social economic planning allocated K2 million and Spatial Planning with an allocation of K900,000 for implementation of Spatial Planning within the jurisdiction of the Local Authority to allow for the optimal utilization of the available land resources.

Further, the Economic and Business Development programme has been allocated K676,430 to be utilized under Local Economic Development. This programme will focus on creating a favorable business and investment environment in all the Wards of the Chirundu District to attract new business opportunities and investments. It will equally facilitate the establishment of a Truck Park and provide fifty (50) percent of the profits realized from the block making factory to the Local Authorities as a contribution on service provision.

Public Health and Environmental Protection has been allocated K3.8 million of which Health Inspection K644,200 ensure rigorous oversight and compliance with health standards, while Pest Control has been allocated K269,900, Pollution Control K91,900 for Keep Chirundu Clean, Green and Healthy activates, while Solid Waste Management has been allocated K880,700 for effective refuse management and Water Supply and Sanitation Services has an allocation of K1.9 million in order to improve reliable water supply systems and ensure the availability of safe drinking water thereby reducing the prevalence of waterborne diseases such as diarrhea, cholera, and typhoid.

Housing and Community Amenities programme has the total allocation of K13.1 million where Markets and Bus Stations have been allocated K5.5 million, with Community Centers K282,025, Public Housing K4.9 million aimed at accommodating (200) marketers which will facilitate the increase in market fees collected, while the Roads and Drainage subprogramme has an allocation of K3.7 million to enhance accessibility and connectivity thereby facilitating smoother transportation of goods and services to increase trade opportunities which will consequently stimulate economic growth by attracting investments and job creation in the district.

Recreation culture and Religion has been allocated K642,134 of which K10,852 has been allocated towards Cultural affairs such as Traditional Ceremonies in order promote culture and the districts heritage, while K631,281 has been allocated to the Sports Promotion subprogramme to ensure that various disciplines of sports are promoted and talent identified for further promotion and development. Education and Skills Development programme has been allocated K228,100 which seeks to strategically

HEA 981 CHIRUNDU TOWN COUNCIL**D**

increase educational support and develop skills within the community

Social Protection has been allocated K137,324. This program has a core objective of addressing and reducing vulnerability in the District.

Public Order and Safety has been allocated K677,220 of which Building Regulation services encompasses K121,540, with Community Policing allocated with K90,230 to enhance the mutual cooperation between the police and the public among the community members, while Fire Protection Services subprogramme, focused on fire prevention, firefighting, fire rescue services, has been allocated a total of K465,450 aimed at ensuring the safety and well-being of the members of the community through regular inspections and maintenance of fire alarms, extinguishers, sprinkler systems, emergency lighting and timely response time to emergency incidents.

Management and Support Services Programme has a total allocation of K10.8 million and Human Resource and Administration has an allocation of K5.7 million to go to promote employee development and engagement through training programmes, performance evaluations, and career advancement opportunities, which not only increases job satisfaction but also enhances employee loyalty and commitment to the Council. Institutional Management K4 million which will support the overall management and administration of the Council and ensure all operations are in place. Accounting subprogramme with K390,000 to ensure financial stability by managing and maintaining accurate records of all transactions, balances, and expenses. Procurement K343,658 mainly for procurement of goods and services. Additionally, Auditing subprogramme has a total of K150,000 to ensure a well-functioning audit system in order to enhance internal control systems, which helps in the prevention and detection of fraud, errors, and inefficiencies within the district and Legal Services K160,000 for arbitration of court cases.

Resource mobilization has been allocated K9.1 million, all of which will be utilised under the Revenue Mobilisation and Enhancement subprogramme and aimed at maximizing local revenue collection and establishing innovative sources of local revenue streams and collections methodologies.

District Health Services has been allocated K1.4 million of which emphasis has been places on the prioritization of essential healthcare at the grassroots level of the community, to ensure strategic and systematic approach of coordinating various healthcare provisions, within the district.

Veterinary Services has been allocated K105,899 to be utilised under the Animal Health Extension Services subprogramme to ensure enhancement of animal health care service provision, by training farmers on how to reduce the spread of diseases and resultantly improving animal health in the communities.

Transport Services has been allocated K3.7 million, this is aimed at ensuring improved accessibility in the District and as such has planned for the refurbishment of 100km of road network within the District.

Executive Authority: Council Chairperson

Controlling Officer: Council Secretary, Chirundu Town Council

The Management and Support Services programme will focus on enhancing accountability and prudent utilization of resources allocated and generated by Council through improved human resources development and management as well as strengthened planning, budgeting and financial management systems.

With this background, the Council plans to reduce audit queries by one hundred (100) percent through regular audit checks and the four (4) audit meetings which will be held once every quarter at which internal audit reports will be presented. In addition, the Local Authority will prepare an Annual Procurement Plan to guide procurement proceedings as well as prepare a Financial Statement at the end of the 2024 budget cycle. Further, the Council will prepare its' 2025 Annual Budget and has targeted to liquidate atleast thirty (30) percent of its debt.
