STATEMENT OF RESPONSIBILITIES FOR ANNUAL FINANCIAL STATEMENTS

The Chirundu Town Council is responsible for preparing the financial statements for the year ended 31st December 2022 which are free from material misstatement, whether due to fraud or error, and are prepared, in all material respects, in accordance with the Cash Basis International Public Sector Accounting Standard (IPSAS). In preparing the financial statements, the Council selected applicable policies from Local Authorities Accounting Policies (LAAPs) of October 2019 and then applied them consistently, making judgment and estimates that were reasonable and prudent.

The Council is also responsible for the maintenance of adequate accounting records and the preparation and integrity of the annual financial statements and related information. The Auditor-General has audited the financial statements and his report is shown on pages 8 to 11.

The Council accepts responsibility for the annual financial statements, which have been prepared using appropriate accounting policies supported by reasonable estimates, in conformity with the Cash Basis IPSAS, the requirements of the Local Government Act No. 2 of 2019, the Public Finance Management Act No. 1 of 2018 and Local Authorities Accounting Policies (LAAPs) of 2019.

The Council further accepts responsibility:

- for the maintenance of accounting records that may be relied upon in the preparation of financial statements,
- for designing, implementing and maintaining systems of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Nothing has come to the attention of the Council to indicate that the Chirundu Town Council will not remain a going concern for at least twelve months from the date of this statement.

In the opinion of the Council, proper books of accounts were maintained to support preparation of Financial Statements that present fairly the financial results of the Town Council for the financial year ended 31st December 2022.

**Report on the Audit of the Financial Statements of Chirundu Town Council for the Financial Year
Ended 31st December 2022**

Opinion

I have audited the financial statements of the Chirundu Town Council for the financial year ended 31st December, 2022 which comprise the Statement of Cash Receipts and Payments, the Statement of Comparison of Budget and Actual Amounts, Statement of Cash Receipts and Payments for Local Government Equalization Fund and the Statement of Cash Receipts and Payments for Constituency Development Fund (CDF) and a summary of significant accounting policies and other explanatory information on pages 12 to 36.

In my opinion, the accompanying financial statements of Chirundu Town Council present fairly, in all material respects, its cash receipts and payments and balances for the year ended 31st December 2022 in accordance with the Cash Basis International Public Sector Accounting Standard (IPSAS) and the Local Authorities Accounting Policies (LAAPs).

Basis for Opinion

I conducted my audit in accordance with International Standards of Supreme Audit Institutions (ISSAIs). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of Chirundu Town Council in accordance with the International Organisation of Supreme Audit Institutions (INTOSAI) Code of Ethics together with the ethical requirements that are relevant to my audit of the financial statements in Zambia, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the INTOSAI Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

**REPUBLIC OF ZAMBIA
OFFICE OF THE AUDITOR GENERAL**

Emphasis of Matter

I draw attention to part 1.1 to the financial statements which describe the roadmap of the Council to adoption of Accrual Basis Financial Reporting Framework as a result of which the Council has not produced Accrual Basis type of financial statements required by the Local Government Act No. 2 of 2019.

My opinion is not qualified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Cash Basis International Public Sector Accounting Standard, the Local Government Act No. 2 of 2019, the Public Finance Management Act No.1 of 2018 and Local Authorities Accounting Policies (LAAPs) of 2019, and for such internal controls as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Council or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Council's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISSAIs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

**REPUBLIC OF ZAMBIA
OFFICE OF THE AUDITOR GENERAL**

- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Council's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Council to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of the Preparation of the Financial Statements

The Financial Statements have been prepared in accordance with Cash Basis IPSAS, *Financial Reporting under the Cash Basis of Accounting*, issued by the International Public Sector Accounting Standards Board (IPSASB) and Local Authorities Accounting Policies (LAAPs).

These financial statements have been prepared in accordance with the historical cost convention as the basis of measurement, unless specified otherwise.

The accounting policies have been applied consistently throughout the period.

1.1 Migration to Accrual Basis Financial Reporting

Chirundu Town Council is required, under the Local Government Act No. 2 of 2019 to produce a Statement of Comprehensive Income and a Statement of Financial Position. The production of these statements entails adoption and application of Accrual Basis of Accounting in financial reporting. However, the Act does not specify which particular accrual basis of accounting to use. In applying Cash Basis of Accounting, the Council followed guidance listed below:

- (a) Cash Basis IPSAS, *Financial Reporting under the Cash Basis of Accounting*.
This standard provides that public sector entities adopting Accrual Basis for the first time may apply Cash Basis IPSAS provisions as an intermediate step to assist them in the transition to Accrual Basis IPSASs. In this vein, the Council has produced these financial statements under Cash Basis IPSAS as part of its transition to Accrual Basis of Accounting.
- (b) Accounting Pronouncement: 2018/3 – Applicability of International Public Sector Accounting Standards (IPSASs).
This pronouncement issued by the Zambia Institute of Chartered Accountants (ZICA) pursuant to the Accountants Act, 2008 requires the adoption of Accrual Basis of Accounting by public entities by 31st December, 2022. The Council is preparing to adopt Accrual Basis IPSASs on 1st January, 2022
- (c) Treasury and Financial Management Circular of 2019 issued by the Secretary to the Treasury pursuant to the Public Financial Management Act, No. 1 of 2018. The Treasury and Financial Management Circular provides as follows:
 - i. That in order to have a standard financial reporting framework, all Local Authorities should adopt the International Public Sector Accounting Standards (IPSASs) Cash Basis of Accounting as a first step in migration to IPSASs Accrual Basis of Accounting.
 - ii. Local Authorities shall use Part 2 of Cash Basis IPSAS which requires extra disclosures called ‘Encouraged Additional Disclosures’ in Cash Basis financial statements for the years ending 31st December 2019 up to 2024.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- iii. All Local Authorities shall adopt and apply Accrual Basis IPSAS of Accounting starting 1st January, 2024 by following the guidelines provided in IPSAS 33 – “First Time Adoption of Accrual Basis IPSASs”.
- iv. That the three (3) year transition period provided under IPSAS 33 should commence on 1st January, 2024 and should end on 31st December, 2026. Thereafter, all Local Authorities shall be required to comply fully with Accrual Basis IPSASs.

Based on these guidelines, the Council has not yet commenced production of Accrual Basis financial statements required by the Local Government Act, 2019. However, the Council has adopted Part 2 Cash Basis IPSAS, *Financial Reporting under the Cash Basis of Accounting* to help it transition its financial reporting to Accrual Basis IPSASs.

1.2 Reporting Entity

The Financial Statements are prepared for Chirundu Town Council (CTC). The financial statements encompass the Council as specified in the Constitution of Zambia (Amendment) Act No. 2 of 2016, the Local Government Act No. 2 of 2019, and the Public Finance Management Act No. 1 of 2018. It also includes projects and activities of the Constituency Development Fund and the Local Government Equalisation Fund in the district.

1.3 Authorization Date

The financial statements were authorized for issue on 16/11/24 by the Ordinary/Special Council.

1.4 Revenue

Revenue is recognized when cash is received. It is generated from various sources as explained below:

a. Local Taxes

Article 161 of the Constitution of Zambia (Amendment) Act No. 2 of 2016 authorises Chirundu Town Council as a Local Authority to levy, impose, recover and retain local taxes. Further, the Local Government Act No. 2 of 2019 section 25 (1) prescribes, subject to the Constitution and the Business Regulatory Act of 2014, a system of local taxes which Local Authorities can raise by passing by-laws imposing levies on:

- leviable persons owning or occupying property or premises situated within the area of the District;
- leviable persons carrying on a business, trade or occupation within the area of the District; or
- the purchase or sale of a commodity within the area of the District.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

b. Fees and Charges

Section 27 (1) of the Local Government Act No. 2 of 2019 empowers Local Authorities, subject to the Business Regulatory Act, 2014, to impose fees or charges payable to the Council:

- For any licenses or permit issued under any regulation or by-law made under the Act. These may include health permits, fire certificate licences, burial permits and extension of business hours permits;
- For any service or facility provided or goods or documents supplied by the local authority in pursuance of or in connection with the performance of any function of the local authority. These may include survey fees, consent fees, building inspection fees, waste collection fees and parking fees.

1.5 Expenditure

Expenditure is recognized when payment is made for expenses incurred. The Council incurs expenditure relating to the discharge of its functions which includes expenses relating to personal emoluments, use of goods and services, social benefits and acquisition of non-financial assets.

Items of a capital nature are expensed at the time of payment and such transactions are depicted in the appropriate class and heading in the financial statements. Since capital expenditure is expensed when incurred, neither depreciation nor amortization is charged on non-current assets.

1.6 Reporting on Gross Basis

Transactions are reported on gross basis without netting off similar classes of receipts and payments. However, transactions may be reported on net basis when they relate to transactions the Council administers on behalf of other entities recognised in the Financial Statements

1.7 Cash in hand at the Beginning and the End of the Year

Cash at the beginning and end of the year consist of cash on hand, demand deposits and cash equivalents held at such dates.

Cash on hand refers to notes and coins held by the Council at the reporting date and it includes petty cash and cash collections not yet deposited into bank accounts. Demand deposits consist of reconciled balances held in the Council's bank accounts which it can use on demand. Cash equivalents, on the other hand, refer to short term high liquid investments that can easily be converted to known amounts of cash and are subject to insignificant risk of change in values.

The Council recognises all short term high liquid investments having maturities of three months or less as cash equivalents.

1.8 Local Government Equalization Fund

Article 163(2) of the Constitution of Zambia (Amendment) Act No. 2 of 2016 provides that Parliament shall annually appropriate monies to the Local Government Equalisation Fund which shall be disbursed by the Ministry responsible for finance to Local Authorities. Receipts under LGEF supplement revenue generated by the Council. The Council uses at least 20% of the funds received from the equalization fund, in any financial year, to finance capital expenditure and the balance to meet operational expenses.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1.9 Constituency Development Fund

The Constituency Development Fund (CDF) was established under Article 162(1) of the Constitution of Zambia (Amendment) Act No. 2 of 2016.

The fund was set up to finance micro-community projects for poverty reduction in communities and it is financed by monies appropriated by Parliament.

The administration of CDF is regulated by the Constituency Development Fund Act No. 11 of 2018. The Council maintains separate bank accounts for each constituency. Transfers are made from CDF into constituency bank accounts from which payments are made to finance approved CDF projects.

1.10 Other Grants

These include grants in lieu of rates and support from Cooperating Partners. Grants in lieu of rates are paid by the Government to the Council to cover property rates of Government properties in the district. Support from Cooperating Partners may consist of cash receipts under bilateral and multilateral agreements.

1.11 Presentation Currency

The presentation currency is Zambian Kwacha.

1.12 Foreign Currencies

Transactions in other currencies are converted into Zambian Kwacha using the ruling Bank exchange rates at the time of payment. Balances expressed in foreign currencies at the year-end are translated into Kwacha at the ruling rate then. The resulting difference from the conversion and translation are charged to the Statement of Cash Receipts and Payments.

1.13 Borrowings

Borrowings comprise actual cash inflows received from financial institutions, bilateral and multilateral institutions.

1.14 Budgets and Actual Amounts

A final budget includes all adjustments (supplementary and re-allocations) made to the original approved budget during the year. Supplementary budgets consist of additional provisions beyond what was originally approved while re-allocations are approved budget variations.

The approved budget is developed on the same accounting and classification basis, and for the same period as for the financial statements. All material differences between final budgets and actual amounts are explained in the notes to the annual financial statements. Budget differences of 20% and above are considered material.

1.15 Encouraged Disclosures of Accrual Type of Items

During the year, the Council adopted Part 2 of Cash Basis IPSAS which provides extra Accrual Basis type of disclosures called Encouraged Additional Disclosures as follows:

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

i. Property, Plant and Equipment

These are assets that have useful economic lives or service potential of more than one year. They are recorded and disclosed at either cost or valuation. Valuations are conducted by the Government Valuation Department and the Council's own Valuation staff. Where valuation has been undertaken, the applicable valuation bases are as follows:

- | | |
|-----------------------|----------------------|
| • Land | Current Value |
| • Buildings | Cost or Market Value |
| • Plant and Equipment | Cost |

ii. Investments in Other Entities

The Council discloses the following details about its investments in other entities:

- Name of the entity
- Principal activity of the entity
- Percentage of shareholding in the entity
- Receipts in form of dividends and other returns on the investments

iii. Administered Transactions

Administered transactions are cash flows resulting from transactions administered by the Council as an agent of Central Government and any of its agencies. All cash collected in this manner is deposited into an account of the Central Government or its appropriate agent and such accounts are not controlled by the Council. The Council deems as part of cash under its control any collections made and administered by the Council on behalf of the Central Government but are allowed to be deposited in any of its bank accounts prior to its transfer to the Central Government or any of its agents.

iv. Related Party Transactions

A related party is one that has the ability to control the Council or exercise significant influence over the Council in making financial and operating decisions. The related party entity is also any entity that is subject to common control with the Council.

Related parties include:

- Entities that directly, or indirectly through one or more intermediaries, control, or are controlled by the Council;
- Associates being entities over which the Council has significant influence
- Individuals that have significant influence over the Council, and close members of the family of any such individual;
- Key management personnel, and close members of the family of key management personnel; and;
- Entities in which a substantial ownership interest is held, directly or indirectly, by any person described in (c) or (d), or over which such a person is able to exercise significant influence.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The key management personnel of the Council are:

- (a) the Mayor/Chairperson, elected councillors, Co-opted members of the Audit and Procurement Committees, chiefs who are part of the council representing other chiefs in the district, and
- (b) The Principal Officers and Chief Officers.

Spouses, children and grandchildren, grandparents, brothers, sisters, parents in law, brothers in law, and sisters in law of key management personnel are related parties to the Local Authority. The Council discloses the nature of the related party relationship as well as information about those transactions and outstanding balances as a note to the financial statements. Such transactions may include remuneration, loans and contracts awarded to key management personnel and their close relatives.

v. External Assistance

External assistance comprises loans and grants from multilateral and bilateral agencies provided under agreements specifying the purposes for which the assistance will be utilized.

Chirundu Town Council discloses total external assistance received in cash during the period, total external assistance paid by the agencies for the benefit of the council, external assistance received in form of loans and grants, their classifications, purposes for which it was received and undrawn balances.

vi. Payments to Third Parties

Third party payments also known as direct payments are those that are made by third parties to construct or acquire property, plant and equipment and or pay for services on behalf of Chirundu Town Council. These do not constitute cash receipts and payments by the Council. They include payments for goods and services made by multilateral and bilateral aid agencies and non-governmental organizations and are included in the disclosures of external assistance.
