NGO'MBE ILLEDE COUNCIL HOUSES

It was reported for the Decision of the Council that in 2016, the Head teacher Ng'ombe Illede School requested through the area Councillor that the Council Houses be given to the school and ZAWA for their occupation.

The Council meeting was convened and vide minute **CM 52/11/15** it was resolved that the Ministry of Education and ZAWA be allowed to renovate the Houses so that they could continue using them as a temporal measure to mitigate the critical shortage of accommodation.

The giving of the houses was on temporal basis and that the officers were going to be given compensation if any for any improvement they could have done to the houses.

A letter of 14th January 2016, from the then Council Secretary CK. Chalusa was attached.

The Auditor General cited Chirundu Council for failure to maintain their Housing Stock and failure to charge rent to the users.

When the Council Management approached the affected teachers and ZAWA officers for rentals they categorically rejected adding that the said Houses were given to them for free occupation.

In order for the council to renovate the Houses, and make them habitable there was need to rescind the decision made vide **minute CM 52/11/15** and make the tenants to pay rentals monthly.

The Council would then start renovating the Houses one after another.

According to the Ministry of Local Government the policy of selling Council Houses was no longer encouraged.

Upon a proposal by Councillor Norman Nalube, duly seconded by Councillor Sharon D. Palicha,

It was,

RESOLVED THAT,

The item on Ng'ombe Illede Council Houses be **APPROVED** in the following order of the recommendations,

- i. The decision made vide Minute CM 52/11/15 be rescinded
- ii. The Ng'ombe Illede Council houses be rehabilitated
- iii. The Council to charge rentals after rehabilitation of the houses

Upon a Counter Proposal by Councillor Herold Hatyoka, duly seconded by Councillor Steward Lucky Hakooma,

It was,

RESOLVED THAT,

The item on Ng'ombe Illede Council houses be **REFERRED** to the Plans, Works, Development and Real Estate Committee meeting.

After the two proposals by the August House, it was resolved by **VOTING.**

It was,

RESOLVED THAT,

The item on Ng'ombe Illede Council Houses be **APPROVED**, in the following order of the recommendations,

- i. that the decision made vide Minute CM 52/11/15 be rescinded
- ii. The Ng'ombe Illede Council Houses be rehabilitated
- iii. The Council to charge rentals after rehabilitation of the Houses

NOTICE OF MEETING

The Notice convening the meeting was read.

(1) CHILDHOOD IMMUNIZATIONS

It was reported for the Information of the Committee that the District Health Office conducted routine vaccination and growth and monitoring activities in all the 15 health facilities, and 626 under one children were fully immunized out of a target population of 753 (83.1 % coverage).

Additionally, office also participated in the first round of the National Child Health Week exercise which was conducted from 24th to 29th June 2024. During this activity, a lot of services were provided, including but not limited to growth monitoring and promotion, vitamin a supplementation, deworming, catch-up vaccinations, HPV vaccination, etc. For Vitamin A supplementation, 13,484 children aged 6-59 months were supplemented (109 % coverage); deworming was given to 12, 687 children aged 12-59 months (103 % coverage), and bivalent oral polio vaccine (bOPV) was given to 14,501 0-59 months old out of the targeted 13,835 (105% coverage). Catch up immunizations were also given to children 0-59 months that missed out on some vaccines. The campaign also included the human papilloma Virus (HPV) vaccination for the prevention of cervical cancer, which was administered to girls aged 9-14 years. A total of 2,439 girls were vaccinated across the schools and also to non-school going girls in the community. The activity was successfully conducted in all the 15 facilities.

Finally, it was further reported to the Committee that in a quest to take Health services as closer to the people as possible, the office facilitated the opening of a new outreach post in Zalaunga called Mwiinga Zone. It was opened to the community on 24th May 2024.

(2) MATERNAL AND NEONATAL DEATH REPORT

It was reported to the Committee that in Q2, 2024, Chirundu district did not record any maternal death. The district health office has continued with close supervision to the health facilities so that they adhere to maternal referral guidelines and enhancing community services to ensure early booking for antenatal care services and early health seeking behavior among the mothers, thereby preventing maternal deaths. However, we recorded three Neonatal deaths out of 908 live births (neonatal mortality ratio 3/1,000 live births). The causes of the Neonatal deaths were respiratory distress syndrome (RDS) secondary to meconium aspiration, severe birth asphyxia (poor oxygen supply to the baby during birth) and neonatal sepsis (infection of the new-born) respectively. All three were recorded at Mtendere Mission General Hospital.

Upon receipt of the item,
It was;

RESOLVED THAT,

The item on Maternal and Child Health be **NOTED**.

NOTICE OF MEETING

The notice convening the meeting was read.

The report highlighted the programs and activities implemented by the Department of Community Development during the quarter under review. The Department ran the following programs: Food Security Pack, livelihood empowerment support scheme (LESS) and Skills Development (Functional literacy).

SSC/36/09/24

FOOD SECURITY PACK (FSP)

The overall objection of the Programme was to empower the vulnerable but viable farmer households with farming inputs or alternative livelihoods so that they could become self-sustained through improved productivity and enhanced household food security thereby contributing to poverty reduction. The programme had three components which included rain fed, wetlands and alternative livelihood.

➤ **TRADITIONAL WETLAND**

It was reported for the information of the Committee that during the period under review, the department of community development distributed farming inputs for traditional wetlands to three wards namely MUSAYA ward one hundred (100) beneficiaries, MUSHUNGU ward four hundred (400) beneficiaries and NG'OMBE ILEDE ward two hundred (200) beneficiaries totalling to seven hundred (700) beneficiaries. The beneficiaries received one 50kg bag of D compound fertilizer, one 50kg bag of Can fertilizer, a combination of 250g of vegetable seeds either RAPE and OKRA or ONION and OKRA and or RAPE and ONION with 250g of insecticide and 250g of fungicide.

➤ **EMERGENCY WETLAND**

It was reported for the information of the Committee that during the period under review, 2200 beneficiaries were listed, enumerated and validated in five wards of Chirundu district. The ward included MUSAYA, MUSHUNGU, NG'OMBE ILEDE, LUSITU and KAPULYRILA wards. The programme was supposed to be implemented in six ward which included Nkandabwe wards but the name for the ward failed off during validation. The other ward did not qualify because they had wetlands.

➤ **ALTERNATIVE LIVELIHOOD**

It was reported for the information of the Committee that during the period under review, the department managed to monitor eighty-five (85) households out of hundred and two 102 households who benefited from the programme. All the monitored households beneficiaries had reach the pass on stage but due to pressure of work for the above two

wetland program, the department did not proceed with pass on programme in the implementing wards.

Upon receipt of the item,
It was;

RESOLVED THAT,

The item on Food Security Pack (**FSP**) be **NOTED**.

SSC/37/09/24

LIVELIHOOD EMPOWERMENT AND SUPPORT SCHEME (LESS)

Livelihood empowerment and support scheme (LESS) was a programme aimed at uplifting the lives of vulnerable but viable women and youth in the communities who were able to venture into business or enterprise. The programme had two components which included village banking and savings groups.

➤ **VILLAGE BANKING**

It was reported for the information of the Committee that during the period under review, the department managed to list and validate 22 women in Chirundu central and Sikoongo wards for the above programme. The women were given soft loans of two thousand five hundred (2500) each and to be paid back in 25 weeks on a weekly basis at 20% rate. The women were in their fifth week of their loan repayment and they were also making some savings.

➤ **SAVINGS GROUPS**

It was reported for the information of the Committee that during the period under review, the department managed to monitor all the groups trained in conjunction with ADRA Zambia and all the groups were doing fine in teams of saving and giving out loans to its members and their communities.

It was further reported to the Committee that during the period under review, the department identified ten (10) community agents and two (2) officers who had been trained in saving (silk) by Catholic Relief Services (CRS). That would help to grow the number of savings groups as each agent was supposed to form six (6) saving group which would bring the number to sixty (60).

Upon receipt of the item,
It was;

RESOLVED THAT,

The item on Livelihood Empowerment and Support Scheme (LESS) be **NOTED**.

SSC/38/09/24

SKILLS DEVELOPMENT. FUNCTIONAL LITERACY

The objective of the Programme was to provide social- economic empowerment through provision of skills training to the youth in and outside the districts so that they became self-sustenance.

It was reported for the information of the Committee that Chirundu Community Development Skills training centre had 14 students who were doing tailoring and designing and that those 14 student were doing their industrial attachment in various institution and even to individual firms who were doing tailoring and designing.

It was further reported to the Committee that Chirundu Town Council through the constituency development fund (CDF) had commenced the construction of a one by three classroom block for the skills training centre. That would help the institution to add more courses and help our local authority to reduce on cost as more of our youths in Chirundu District would acquire their skills locally.

Upon receipt of the item,
It was;

RESOLVED THAT,

The item on Skills Development. Functional Literacy be
NOTED.

SSC/47/09/24

PRIMARY EDUCATION

It was reported for the information of the Committee that the District, being a part of the 15 districts in Southern Province, conducted and managed both grade 7 and 9 examinations for 2023 without any form of leakage/malpractices. The strategic direction of the district in terms of target setting was that by the end of 2024, the District would improve in reading levels from

65% to 80% and by 2025 (85%) from Grades 1 – 4 levels despite being at 65% currently. The district strategic direction was as follows:

- To improve performance at grade 7 to 100%
- To improve performance at grade 9 from 37.3% to 80%
- To improve results at Grade 12 level from 64% (2023) to 85% (2024).

Total registered candidates at grade 7 Level were 2243 of which 1007 were boys (males) and 1236 were girls (females). A total of 2093 candidates sat for the examinations out of which 967 were males and 1126 were females. Absent from the examinations were 51 males and 65 females giving a collective sum total of 116 candidates translating into 5.2%. The total number of males that had obtained division 1 to 3 was 599 from 967. That translated into 62% pass rate. Female pass percentage was at 64%. On Average, the district recorded a pass rate of 63% respectively and a failure rate of 31.8%

SSC/51/09/24

HOME GROWN SCHOOL MEALS

It was reported for the information of the Committee that the Chirundu District Education Board was among the vulnerable districts offering Home Grown School Meals to primary/community school children. The rationale behind the Home Grown School Feeding Programme was to feed children while they are at school in order to curb hunger which retards the active learning capacity of learners. Generally, the Home Grown School Feeding Programme was one of the health perquisite of boosting learner-performance in schools. It was known as Home Grown School Feeding Programme simply because learners were supposed to be fed on Home Grown foodstuffs in their natural state but rather nutritious, such as whole-grain cereals, pulses like beans and cowpeas, groundnuts, cooking oil, brown sugar as well as school-grown vegetables and fruits. It was a partnership model whereby the Ministry of Education together with the individual schools were supposed to work together in the provision of the said meals to the children. The meals were supposed to be offered to the learners on a daily basis and women parents from the

surrounding school communities were supposed to assist in the preparation of the meals by taking turns as per drawn school/community cooking schedules.

Currently Chirundu District Education Board was feeding 24,720 learners from the 28 primary schools and 14 community schools in the district. The Committee might wish to know that 1400 by 50kg bags of white maize, 265 by 50kg bags of white beans and 173 by 5-litre containers of groundnut cooking oil were procured and were being distributed to schools of which the school with the highest enrolment received 42 bags of white maize, 10 bags of white beans and 5 containers of cooking oil and the school with least enrolment received 35 bags of white maize, 5 bags of beans and four containers of cooking oil respectively.

Upon receipt of the item,

It was;

RESOLVED THAT,

The item on Home Grown School Meals be **NOTED.**

SSC/52/09/24

INFRASTRUCTURE DEVELOPMENT

It was reported for the information of the Committee that there had been continuous massive infrastructure development in the education sector in Chirundu District in 2024 funded by Constituency Development Fund (CDF), World Bank through Ministry of Education, and cooperating partners such as ADRA, GOVIEX Mining Limited Company, PEAS and Salvation Army as outlined below:

- i. The revamping of the construction of the school of excellence ECE Hub Centre at Kayuni Primary School, which funded by the Ministry of Education headquarters and was almost getting completed and stands at about 96% with minor final touches remaining as it was scheduled to be handed over by December 2024.

INTRODUCTION

Mandate

The function and mandate of the Internal Audit Department is derived from section 17 (1) of the Public Finance Management Act No. 1 of 2018 and provides for the maintenance of a system of internal audit.

An internal auditor shall submit reports to the Controller of Internal Audit, a controlling officer and the audit committee, and such reports shall be copied to the Accountant-General, and Secretary to the Treasury, Auditor-General and the appropriate Minister

Scope

The scope of the audit was limited to the following:

The scope of the audit was in line with the following:

- ✓ Efficiency (the possible best outcome from the input or getting sufficient from the input)
- ✓ Effectiveness (getting the expected results, achievement of objectives, such as customer satisfaction)
- ✓ Economical (Input, getting the right and quality resources at the lowest possible cost)

Objectives

- To ascertain if funds were used for the intended purpose in a more efficiently, effective and economical manner.
- If the public funds were used for the intended purpose, such as services to the community
- If funds were used in a most transparent and accountable way

Limitation

Internal Audit had access to all the information required for Audit purpose

Approach

A summary of our approach followed for this audit is set out below:

- Interview with the respective staff responsible for the Job
 - Physical verification of documents and site visits
-

Management Responsibilities

Management is responsible for the establishment and maintenance of an effective system of governance to:

- Establish and communicate organizational goals and values;
- Monitor the accomplishment of goals; and
- Ensure accountability and that values are preserved.

Management is further responsible for the establishment and maintenance of an effective system of internal control. The objectives of the system of internal control are, to provide management with reasonable, but not absolute, assurance that:

- Risks are properly managed;
- Assets are safeguarded;
- Financial and operational information are reliable;
- Operations are effective and efficient; and
- Laws, regulations and contracts are complied with.

Management is also responsible to implement the agreed action plans within the agreed timeframe(s). The implementation, adequacy and effectiveness of the actions plans will be followed up, after a suitable time, to ascertain the extent to which they have been implemented according to the agreed action plan.

Disclaimer

The principal safeguard against fraud, misstatement and irregularities is an effective system of internal control. It must, however, be recognized that there are inherent limitations in any system of internal control – including management override, human error and circumventions through collusion. The prevention and detection of fraud is therefore management's responsibility.

Restriction on the Distribution of this Report

This report has been prepared for the sole and exclusive use of the Chirundu Town Council. The report may not be made available to anyone, other than authorised persons within Chirundu Town Council and the Auditor-General, or relied upon by any third party.

No part of this work may be reproduced or transmitted in any form by any means, electronic or mechanical, including photocopying and recording, or by information storage or retrieval from the system except as permitted, in writing by the Controller of Internal Audit, which consent may be given or withheld at our absolute discretion.

Acknowledgement

We would like to express our deepest appreciation for the time and co-operation Management and staff provided during the course of the audit review.

Conclusion

Due to the fact that we only evaluated key activities and controls relating to the substantive procedure we concluded on the adequacy and effectiveness of each control.

Ratings awarded represent the conclusion of Internal Audit based on the results of the audit of a system or audit area. The control environment will be rated using the following criteria:

Rating	Definition
Inadequate / Ineffective [Red]	The majority of our findings are of a serious nature and require immediate management intervention to achieve business objectives.
Needs Improvement / Partially Effective [Orange]	The majority of our findings are medium risks that require management focus to rectify.
Satisfactory / Partially Effective [Yellow]	Some control deficiencies were identified however, these were mainly administrative in nature and can easily be rectified.
Good / Effective [Green]	Internal controls are operating effectively (subject to the limitations of sample testing).

2. Under-collection of Fees and Charges

It was reported to the Committee that the revenue from fees and charges involved collections the Council made from sales of plots and provision of services such as **Refuse disposal, Market fees, Parking fees, Building inspection** and **Truck parking** among others.

As it could be seen from the table above, the Council budgeted (flexed) to collect **K12, 587, 999.00** in fees and charges out of which amounts totalling **K8, 251, 781.00** was actually collected resulting in an under-collection of **K4, 336, 218.00** representing 34% variance of the flexed budgeted amount.

Risks

1. Loss of revenue leading to poor service delivery
2. The risk of misstatement of revenue in the statement of receipts and payment

Recommendation

1. Efforts must be stepped up in collecting Rates and Fees and Charges, among others
2. Measures must be taken to improve collections in the third and fourth quarter of 2024.

Upon a proposal by Councillor Lucky Steward Hakooma, duly seconded by Councillor Norman Nalube,

It was,

RESOLVED THAT

The first and second quarter budget performance be **APPROVED** with the following recommendations;

- i. Ensure business owners pay
- ii. Allow instalment payments to those that are not able to pay by making business plan
- iii. Enforcement of payments on business owners by maximizing field work of Council police officers.
- iv. Advertise plots that are available and remind plot owners who have not developed their plots to start developing or risk their plots been repossessed

REPORT OF THE COUNCIL SECRETARY

ITEM 01: CHIRUNDU DISTRICT INTEGRATED DEVELOPMENT PLAN

I wish to report to the house that the final draft Integrated Development Plan (IDP) has since been prepared and completed. The Integrated Development Plan is a principle strategic planning instrument which gives an overall framework for development within the District. The IDP will also guide and inform planning, budgeting, management and decision making in the District by all levels of Government and by all Actors. The IDP shall be valid for a period of ten years and reviewed every five years from the date of its adoption. The IDP is a key document as it's a legal requirement and it also forms the policy framework and basis on which annual budgets shall be approved.

Following the completion of the preparation of the final draft IDP, Chirundu Town Council management on 21st October, 2024 invited various stakeholders to a Stakeholder's validation meeting in order for the stakeholders to validate the submissions that were earlier made during the consultation processes and the meeting was held successfully. It's worth mentioning that when the final draft IDP is approved, the document will be put up for public display and made available for public inspection and comments for a period of 60 days. During this period any person or body may make comments or observations. ***see Appendix 7***

(REPORTED FOR THE APPROVAL OF THE COUNCIL)

ITEM 02: SUBMISSION TO ECZ ON POLICY REGULARLY AMENDMENT

I wish to report to the Council that the Electoral Commission of Zambia has commenced receiving submission from Zambians on Policy Legislation and Regulatory reforms to the electoral process. Chirundu did submit on behalf of the district, three proposals are as follows;

- i. The Article 52 requiring fresh nominations whenever one applicant resigned after filing in his/her nomination.
- ii. That way be found to allocate a 30% quota for only female candidates to vie for councillorship.
- iii. A proposal that Article 153 (d) be expunged from the constitution. Article 153(d) provides a resident permit holder can become a Councillor. Councillors and members of the public are still requested to make their submission through the office of the council secretary.

(REPORTED FOR THE INFORMATION OF THE COUNCIL)

ITEM 03: DEVOLUTION OF FIVE (5) FUNCTIONS TO THE LOCAL AUTHORITY

I wish to report to the Council that the Government of Zambia has effected the devolution of function to the Local Authorities through cabinet office circular no. 2 of 2023 dated 27th March, 2023. And this was in line with the National decentralization policy and the decentralization implementation plan. Eight functions were devolved to the Local Authorities in the first phase.

However, another additional five functions are being devolved to the Local Authorities with effect from 31st December, 2024 below are the five functions being devolved.

- a) Ministry of Fisheries and Livestock
 - i. District Fisheries Services and
 - ii. District Livestock Services
- b) Ministry of Community Development and Social Services
 - i. District Community Development and
 - ii. District Social Welfare
- c) Ministry of Agriculture
 - i. District Agriculture Services

(REPORTED FOR THE INFORMATION OF THE COUNCIL)

ITEM 04: ASSESSMENT OF COUNCILS BY LOCAL GOVERNMENT SERVICE COMMISSION

I wish to report the council that local government service commission has commenced assessment of Local Authorities on CDP and generally all aspects of service delivery, revenue generation etc.
The Council Secretary appeared on 21st October, 2024. The Commission awarded the following marks;

Assessment on the Council Secretary 75%
Assessment on the Council 68%

I would say that Chirundu performed extremely well in a number of areas. We however need to do more on Project Completion, Procurement as this is where we scored very low.

We failed badly on Chibende Clinic.

(REPORTED FOR THE INFORMATION OF THE COUNCIL)

ITEM 05: MEMORANDUM OF UNDERSTANDING BETWEEN PREMIUM FINANCE LIMITED AND CHIRUNDU TOWN COUNCIL

I wish to report to the Council that Premium Finance Limited is desirous to enter into a Memorandum of Understanding with Chirundu Town Council to be providing Salary Advance, and Loans to Council Employees and Councillors.

I therefore request the approval of the Council.

(REPORTED FOR THE APPROVAL OF THE COUNCIL)
