1. OPENING PRAYER

Prior to the commencement of the meeting a prayer was conducted by Moses Tembo.

2. OPENING REMARKS

The Chairperson welcomed the business stakeholders and the members of Chirundu Central Ward. He welcomed the business owners and booth owners to the meeting. He thanked them for their efforts to attend the important meeting though travelling had been a challenge due to heavy rains which was experienced in our district. He urged the business owners to contribute freely and constructively during the engagement meeting. With these few remarks he declared meeting open for discussion.

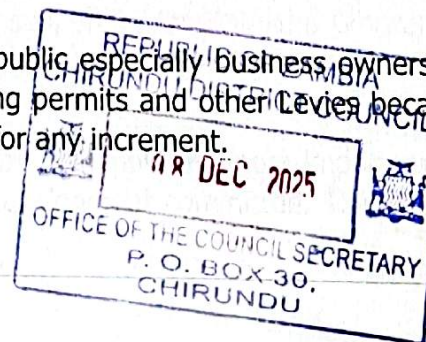

He highlighted that the main function of the Council is the delivery of local public good and services to the people in the District and discharge all or any of the functions set out in the Article 147 (2) © of the constitution of Zambia (Amendments) Act No .2 of 2016 and First schedule of the local government Act No 2 of 2019 which include, among others , power to make By-Laws, power to make regulations, imposition of levies, fees and charges and to formulate local policies to promote, guide and regulate development in the district through various relevant departments of the council.

3.MAIN FOCUS OF THE BUDGET ENGAGEMENT FOR THE YEAR 2026

The Chairperson explained the reason for engagement was important for business owners to understand the Council Budget and provide input.He further highlighted that the preparation of the Council budget starts after presentation of the National Budget.

He highlighted the following items;

- i. **Sensitisation of 2026 Budget**-To sensitize business owners on the budget process at national level and Chirundu District Council as a district for the year 2026.
- ii. **Roles and responsibilities**-To discuss roles and responsibilities of different stakeholders in implementation of the process of the budget for the year 2026 in order to let the business owners understand how the budget starts from the input from the business owners.Stakeholders were reminded that the role and responsibilities comes in their payments of licenses ,permits and licenses in order for the council to provide services like cleaning of the market, cleaning of public toilets which requires buying of cleaning materials
- iii. **Trading Permits**-To inform members of the public, especially business owners on zero increment on the Business permits, Trading permits and other levies because there was no act of parliament that suggested for any increment.

4.CONCERNS FROM SHOP AND BOOTH OWNERS

After a lengthy discussion the following were the crucial items that the business owners had to agree to include in the 2026 budget.

- i. Business Owners requested that the trading permits should be uniform for business operating in the market and those operating from outside the market.
- ii. There was need for order in the parking of taxis.
- iii. There was need to build new or rehabilitate the old ablution blocks
- iv. Building of sleeping place for those trader coming from far off places.
- v. Restructure the other market shelter which has been abandoned due to its design
- vi. There is need to build a bigger bus station to accommodate more buses and taxis
- vii. Business Owners requested that garbage collection if possibly be done even on weekend
- viii. Business Owners requested that road network within the market area needs to be worked on.

5.KEY TAKEAWAY AND NEXT STEPS

The key takeaway from the meeting was the need for continued engagement and follow-up on non-compliance of paying trading permits.

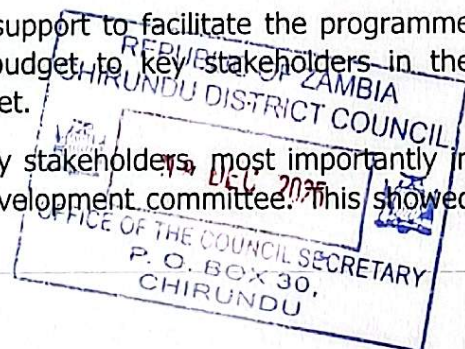

Next Steps: The officers were assigned to go round the whole district to see if the business owners are complying according to what they learned at the meeting of business stakeholders and the importance of having trading permits in their shops. We agreed that those business owners found wanting would pay a penalty fee amounting to K450.00 The officer explained the usage of the funds after collecting from shop owners in the district which was service delivery and gave examples of grading of roads, and cleaning of township

After a long discussion; Resolved that all the matters should be taken serious so that the council fulfil its target in the budget.

7.CLOSING REMARKS

The Chairperson thanked the Council for financial support to facilitate the programme for dissemination information for 2026 citizen's budget to key stakeholders in the district, the meeting was fruitful and purpose was met.

He also thanked the attendance of the different key stakeholders, most importantly in the ward councillors, business owners and ward development committee. This showed

the support that the district is willing to render to the implementation of 2026 budget and its programme activities, with all the political and technical support and all the stakeholders pledging their support to the success of the budgeted programme activities which they believe is going to help them.

In addition, he thanked the members for their constructive debate and reminded them that they have an important duty of fostering good environment in smoothing their operation in the district. This segment emphasized the link between the community priorities and the districts broader development strategies.

There being no further business to transact, the meeting was declared officially closed at 16:30hrs.
